## BRANDING and PROMOGIFTS

We offer Embroidery/Screen Printing & Engraving/Laser Printing services on any fabric or product. We provide a huge range of printed products and services from business cards, manuals, caps, t-shirts all the way to your gazebos. We also offer Print-On-Demand services from business cards to business manuals printing.

### EMBROIDERY

Our team of experts uses the art of working with raised and ornamental designs in threads of silk, cotton, gold, silver or other material, upon any woven fabric, leather, etc., with a needle.

### SCREEN PRINTING

Screen printing is a method we use of creating an image on paper, fabric or some other object by pressing ink through a screen with areas blocked off by a stencil. The technique is used both for making fine art prints and for commercial applications, such as printing your company logo on a coffee mug or T-shirt.

### ENGRAVING AND LASER PRINTING

We chase (letters, designs, etc.) on a hard surface, as of metal, stone, glass or the end grain of wood.
